Profile

Organic Growth Lead with 5+ years scaling SEO, ASO, and owned acquisition for high-growth consumer products. Led 44% YoY organic revenue growth across global eCommerce, built attribution models to measure incrementality, and owned GEO strategies across AI-powered discovery platforms.

Experience

Founder Feb 2025 - Present
WorthView Dublin, Ireland

- Built FinTech app end-to-end, owning product strategy, technical architecture, and iOS App Store launch
- Designed ASO strategy for iOS launch, targeting high-intent keywords in personal finance and net worth tracking
- Built landing pages optimised for organic discovery, driving early user acquisition through search and direct traffic

Organic Growth Lead May 2022 - Present
PetSafe Brands Dublin, Ireland

- Led global organic growth across 12 eCommerce stores, delivering 44% YoY growth to \$2.5M organic revenue
- Built attribution models and dashboards to measure organic incrementality, informing cross-channel investment strategy
- Owned \$500K SEO budget, managing vendor relationships and tool stack to optimise spend efficiency
- Partnered with Product and Engineering to align organic strategy with UX improvements, doubling CVR from 1.7% to 3.5%
- Developed structured frameworks for experimentation prioritisation, balancing quick wins with long-term SEO foundations
- Scaled content systems across 12 markets with 100+ guides, driving 27% incremental traffic growth

SEO Specialist Jan 2021 - Apr 2022
Nestlé Lviv, Ukraine

- Led organic growth for Maggi, increasing traffic by 72% across EMEA markets through technical SEO and content
- Optimised site architecture and Core Web Vitals, improving crawl efficiency and organic visibility at scale
- Built content strategy for recipe pages, optimising for featured snippets and high-intent search queries
