Profile

Founder of WorthView FinTech platform, building 0-to-1 with hands-on technical execution including API integrations for real-time data products. Delivered 44% YoY growth at PetSafe through data-driven experimentation and cross-functional collaboration. Combines technical prototyping, product strategy, and customer discovery.

Experience

Founder & Product Manager

Feb 2025 - Present

WorthView

Dublin, Ireland

- Built 0-to-1 FinTech data product from conception to production in 6 months, integrating Twelve Data API for real-time asset pricing across multiple asset classes
- Led end-to-end product lifecycle from customer discovery and PoC validation to technical implementation (full-stack development) and go-to-market strategy
- Developed API-first architecture delivering real-time portfolio tracking, with iOS MVP launching Feb 2026
- Drove rapid iteration from spreadsheet prototype to production web app through continuous user feedback and data-driven feature prioritization

Organic Growth Lead

May 2022 - Present

PetSafe Brands

Dublin, Ireland

- Delivered 44% YoY organic revenue growth (\$2.5M to \$3.6M) across 12 global eCommerce stores through data-driven experimentation and cross-functional collaboration with engineering and analytics teams
- Built experimentation framework with A/B testing that increased conversion rates by 18% and reduced customer acquisition costs by 25%
- Collaborated with data analysts and leveraged LLMs (Claude, ChatGPT) to accelerate content strategy and analytics workflows, improving operational efficiency by 30%
- Promoted to Lead role within 18 months after exceeding all growth KPIs in first year

SEO Specialist

Jan 2021 - Apr 2022

Nestlé

Lviv, Ukraine

- Increased organic traffic by 72% for Maggi brand across EMEA markets through data analysis, technical optimization, and cross-functional collaboration
- Collaborated with product and engineering teams to implement scalable SEO solutions across multiple markets and languages
- Promoted to Specialist within 9 months after exceeding all KPIs in first 6 months
