## Profile

Product Growth Lead with 5+ years delivering 44% YoY growth through product-led growth strategies, lifecycle marketing, and experimentation. Developer background (built products using Cursor AI) with deep understanding of technical audiences. Expert in onboarding, adoption, retention campaigns, and cross-functional collaboration to drive measurable outcomes.

## Experience

**Founder & Growth Lead** Feb 2025 - Present  
WorthView *Dublin, Ireland*

- Owned lifecycle marketing strategy across customer journey (onboarding, adoption, engagement), implementing in-app messaging and product-led growth tactics to drive platform adoption and retention
- Built product using AI-assisted development (Cursor AI), gaining deep understanding of developer workflows and technical audience needs to inform growth strategies
- Designed and optimized user onboarding flow, increasing activation rates and reducing time-to-value through continuous experimentation and data-driven iteration

**Product Growth Lead** May 2022 - Present  
PetSafe Brands *Dublin, Ireland*

- Delivered 44% YoY revenue growth (\$2.5M to \$3.6M) through lifecycle marketing campaigns, optimizing customer journey from acquisition to retention across 12 global markets
- Built experimentation framework running continuous A/B tests to optimize conversion rates (18% increase) and reduce customer acquisition costs (25% reduction), monitoring KPIs to ensure revenue objectives
- Collaborated cross-functionally with Product, Analytics, and Engineering teams to create digital experiences and implement growth tactics at critical stages (onboarding, activation, re-engagement)
- Executed end-to-end marketing campaigns from ideation to implementation, continuously optimizing programs through data-driven decisions and measurable outcomes

**Growth Marketing Specialist** Jan 2021 - Apr 2022  
Nestlé *Lviv, Ukraine*

- Drove 72% growth for Maggi brand across EMEA markets through data-driven marketing strategies and continuous optimization
- Collaborated with cross-functional teams to execute growth initiatives across multiple markets, demonstrating flexibility and adaptability in fast-paced environment
