Profile

Growth Lead who delivered 44% YoY revenue growth through high-velocity experimentation and usage-led expansion. Built FinTech iOS app (WorthView) using Cursor AI and Claude for rapid prototyping. Hands-on operator who ships data-driven experiments end-to-end with AI-powered development.

Experience

Founder Feb 2025 - Present
WorthView *Dublin, Ireland*

- Built consumer FinTech net worth tracker from conception to production in 6 months with \$49/year paywall, using Mixpanel for behavioral cohort analysis and activation tracking
- Used AI tools (Cursor AI with Claude Sonnet 4.5) to accelerate development, shipping web MVP and React Native iOS app through rapid prototyping and iteration
- Designed activation flows and workflow adoption pathways that drove user engagement from first value to paid conversion through product-led growth approach

Organic Growth Lead May 2022 - Present
PetSafe Brands *Dublin, Ireland*

- Delivered 44% YoY revenue expansion (\$2.5M to \$3.6M) across 12 global stores through usage-led growth strategy, AI-powered optimization (AirOps with ChatGPT/Claude/Grok), and high-velocity experimentation
- Built end-to-end A/B testing framework using VWO for landing page experiments, increasing conversion rates by 18% and reducing customer acquisition costs by 25% through rapid iteration
- Led cross-functional growth initiatives with product, engineering, and marketing teams, owning activation metrics, workflow adoption KPIs, and expansion revenue dashboards
- Promoted to Lead role within 18 months after exceeding all growth KPIs through data-driven experimentation and behavioral analytics

SEO Specialist Jan 2021 - Apr 2022
Nestlé *Lviv, Ukraine*

- Increased organic traffic by 72% for Maggi brand across EMEA markets through data-driven optimization strategy and cross-functional collaboration with product teams
- Collaborated with product and engineering teams to implement growth initiatives across multiple markets, driving activation and retention metrics
- Promoted to Specialist within 9 months after exceeding all KPIs through rapid experimentation and measurable impact

Skills
