Profile

Founder of WorthView iOS mobile app, built from conception to production using React Native and Supabase with TestFlight launch. Delivered 44% YoY growth at PetSafe through cross-functional collaboration with engineering and design teams. Expert in 0-to-1 mobile product development, data-driven decision making, and agile product management across FinTech and eCommerce.

Experience

Founder Feb 2025 - Present
WorthView *Dublin, Ireland*

- Built mobile FinTech product from conception to production in 6 months using React Native and Supabase, launching iOS app via TestFlight with Feb 2026 App Store release
- Managed cross-functional team of freelance developers and designers, defining product roadmap, user stories, and technical requirements for live asset pricing via Twelve Data API
- Led agile product development with weekly sprints, user research, and data-driven iteration, achieving product-market fit through structured discovery and validation

Organic Growth Lead May 2022 - Present
PetSafe Brands *Dublin, Ireland*

- Collaborated with developers and designers on product roadmap and feature releases, driving SEO-first approach for all product launches across 12 global eCommerce stores
- Delivered 44% YoY organic revenue growth (\$2.5M to \$3.6M) through data-driven decision making, using adoption and engagement metrics to inform product strategy and prioritization
- Built experimentation framework with A/B testing that increased conversion rates by 18%, demonstrating strong analytical skills and performance measurement discipline
- Promoted to Lead role within 18 months after consistently exceeding KPIs, managing senior stakeholder relationships across product, engineering, and marketing teams

SEO Specialist Jan 2021 - Apr 2022
Nestlé *Lviv, Ukraine*

- Increased organic traffic by 72% for Maggi brand across EMEA markets through technical SEO improvements and content optimization strategy
- Collaborated with product and brand teams to implement international SEO best practices across multiple markets and languages
- Promoted to Specialist within 9 months after exceeding all KPIs in first 6 months
