Profile

Founder of WorthView, a FinTech product with crypto asset tracking (Bitcoin, Ethereum, altcoins) and live pricing integrations via Twelve Data API. Active crypto user since 2020 (Binance, Kraken). Product leader with hands-on full-stack development, experience navigating regulatory trade-offs, and cross-functional leadership in financial infrastructure and eCommerce at scale.

Experience

Founder Feb 2025 - Present
WorthView *Dublin, Ireland*

- Built crypto asset tracking product from conception to production in 6 months using React Native (iOS launch Feb 2026) and Supabase backend with real-time portfolio tracking
- Integrated live crypto pricing via Twelve Data API for Bitcoin, Ethereum, and altcoins with sub-second latency, making regulatory trade-offs to avoid banking API triggers while maintaining financial data accuracy
- Defined secure, scalable backend architecture for financial systems handling real-time asset pricing across multiple crypto and traditional asset classes
- Led technical product decisions balancing user experience, system performance, and compliance considerations in regulated FinTech environment

Organic Growth Lead May 2022 - Present
PetSafe Brands *Dublin, Ireland*

- Collaborated with engineering teams to define product roadmaps and technical requirements for 12 global eCommerce platforms, driving data-driven feature prioritization and optimization initiatives
- Delivered 44% YoY revenue growth (\$2.5M to \$3.6M) through cross-functional leadership across product, engineering, and marketing teams with focus on experimentation and analytics
- Built A/B testing framework that increased conversion rates by 18% and reduced customer acquisition costs by 25% using data analysis and user research to identify pain points and deliver optimizations
- Promoted to Lead role within 18 months after exceeding all growth KPIs in first year

SEO Specialist Jan 2021 - Apr 2022
Nestlé *Lviv, Ukraine*

- Increased organic traffic by 72% for Maggi brand across EMEA markets through technical SEO improvements and content optimization strategy
- Collaborated with product and brand teams to implement international SEO best practices across multiple markets and languages
- Promoted to Specialist within 9 months after exceeding all KPIs in first 6 months
