Profile

Founder of WorthView, a FinTech net worth tracker built from conception to production with live API integrations (Twelve Data, Supabase). Delivered 44% YoY revenue growth at PetSafe across 12 markets through product-led optimization and conversion improvements. Product leader with experience in platform thinking, risk management, and cross-functional collaboration with engineering teams.

Experience

Founder Feb 2025 - Present
WorthView *Dublin, Ireland*

- Built FinTech product from conception to production in 6 months with React Native (iOS launch Feb 2026) and Supabase backend, integrating live asset pricing via Twelve Data API
- Made risk management trade-offs by implementing manual entry for banking data instead of bank API integrations to reduce regulatory complexity while maintaining user experience
- Developed multi-quarter product roadmap balancing feature development, technical debt, and go-to-market priorities using data-driven prioritization framework
- Led end-to-end product strategy including user research, technical implementation, API partner selection, and product-led growth distribution

Organic Growth Lead May 2022 - Present
PetSafe Brands *Dublin, Ireland*

- Collaborated with engineering teams to define product roadmaps and prioritize feature development across 12 global eCommerce platforms, balancing conversion optimization, performance, and costs
- Delivered 44% YoY revenue growth (\$2.5M to \$3.6M) through platform-wide optimization initiatives, treating multi-market expansion as ecosystem problem requiring stakeholder alignment
- Built experimentation framework with A/B testing that increased conversion rates by 18% and reduced customer acquisition costs by 25%, measuring impact on revenue and margins
- Promoted to Lead role within 18 months after exceeding all growth KPIs in first year

SEO Specialist Jan 2021 - Apr 2022
Nestlé *Lviv, Ukraine*

- Increased organic traffic by 72% for Maggi brand across EMEA markets through technical SEO improvements and content optimization strategy
- Collaborated with product and brand teams to implement international SEO best practices across multiple markets and languages
- Promoted to Specialist within 9 months after exceeding all KPIs in first 6 months
