Profile

Product operator who delivered 44% YoY growth at PetSafe by building frameworks for A/B testing, dashboards (Tableau, Looker), and cross-functional collaboration with engineering and product teams. Founded WorthView, managing end-to-end product operations from roadmap planning (Notion, Jira) to launch execution with freelance developers. Experienced in operational systems, launch management, and data-driven decision making across eCommerce and FinTech.

Experience

Founder & Product Operations Lead

Feb 2025 - Present

WorthView

Dublin, Ireland

- Owned end-to-end product operations from roadmap planning (Notion, spreadsheets) to launch execution, shipping web app MVP in 6 months with iOS release planned Feb 2026
- Managed cross-functional delivery by coordinating with freelance developers, tracking daily active users, and gathering user feedback to inform product iterations
- Built operational systems for FinTech product including API integrations for live asset pricing, real-time data tracking, and go-to-market launch strategy
- Established metrics tracking framework using SQL, Google Analytics, and Amplitude to monitor product health and optimize user engagement

Organic Growth Lead

May 2022 - Present

PetSafe Brands

Dublin, Ireland

- Delivered 44% YoY organic revenue growth (\$2.5M to \$3.6M) across 12 global eCommerce stores by building operational frameworks for A/B testing, conversion optimization, and cross-functional collaboration
- Built dashboards in Tableau and Looker Studio to track product health metrics, surface insights, and inform data-driven decision making across growth initiatives
- Coordinated weekly with engineering and product teams on launch planning, roadmap prioritization, and technical implementations for all product releases
- Established experimentation framework with A/B testing of landing pages that increased conversion rates by 18% and reduced customer acquisition costs by 25%

SEO Specialist

Jan 2021 - Apr 2022

Nestlé

Lviv, Ukraine

- Increased organic traffic by 72% for Maggi brand across EMEA markets through data-driven optimization strategy and cross-functional collaboration
- Partnered with product, engineering, and brand teams to implement technical improvements and operational best practices across multiple markets and languages
- Promoted to Specialist within 9 months after exceeding all KPIs in first 6 months
